II. BACKGROUND

Newport News Public Schools, hereinafter referred to as “NNPS” is the ninth largest school division in the Commonwealth with approximately 26,500 students. A cost reimbursement claim to NNPS shall not include any amounts for reimbursement of interest charges owed by Contractor.

CC. Payment by Electronic Funds Transfer (EFT)

Method of payment.

All payments by Newport News Public Schools (NNPS) under this contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(2) of this clause. As used in this clause, the term "EFT" refers to the funds transfer and may also include the payment information transfer.

If the EFT information changes after submission of correct EFT information, NNPS shall begin using the changed EFT information no later than 30 days after its receipt by Accounting to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by Accounting. If such suspension would result in a late payment under the prompt payment terms of this contract, the Contractor’s request for suspension shall extend the due date for payment by the number of days of the suspension.

Liability for uncompleted or erroneous transfers.

If an uncompleted or erroneous transfer occurs because NNPS used the Contractor’s EFT information incorrectly, NNPS remains responsible for—

Making a correct payment;

Paying any prompt payment penalty due; and

Recovering any erroneously directed funds.

If an uncompleted or erroneous transfer occurs because the Contractor’s EFT information was incorrect, or was revised within 30 days of NNPS’ release of the EFT payment transaction, and—

If the funds are no longer under the control of Accounting, NNPS is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or

If the funds remain under the control of Accounting, NNPS shall not make payment and the provisions of paragraph (d) shall apply.

Liability for change of EFT information by financial agent. NNPS is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.

Payment information. Accounting shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. NNPS may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods Accounting is capable of executing. However, NNPS does not guarantee that any particular format or method of delivery is available and retains the latitude to use the format and delivery method most convenient to NNPS.
