Job Description

Job Title: Supply & Logistics Supervisor
Pay Grade: 34
Job Classification: Non-Exempt

Supervisor: Coordinator II – Print Shop
Contract Length: 245 Days

Job Summary

Position is responsible for the daily supervision and the overall operation of supply services which include distributing supplies and equipment for the school division. Supervises staff and provides logistics for division wide warehouse, textbooks, surplus and child nutrition. Manages inventories, maintains textbook inventory and transport of items to school division sites.

Essential Duties

1. Supervises daily operations of the warehouse to include all aspects of the supply and warehousing process, textbooks, surplus, and child nutrition.
2. Prioritizes and assigns work orders to staff; supervises, trains, and directs all warehouse personnel.
3. Coordinates the pick up and delivery of supplies for all district locations.
4. Manages material planning and inventory control to minimize stock levels to the greatest extent possible.
5. Monitors stock levels and prepares purchase requisitions when reorder points are reached.
6. Monitors temperatures of coolers and freezers to ensure they are within the required safety zones.
7. Communicates with instructional supervisors, principals, and assistant principals on requests and work orders pertaining to textbooks, furniture, surplus, general supplies, and child nutrition supplies.
8. Logistically processes and assigns work orders to warehouse staff.
9. Pulls, delivers textbook orders, and manages inventory via the Tipweb software.
10. Provides staff training on inventory management systems.
11. Provides departmental safety training for couriers and warehouse staff.
12. Monitors the operation of equipment to ensure proper handling practices.
13. Prepares and submits timely state reports.
14. Monitors the delivery of intra divisional mail (Pony), the transfer of loan items between schools and the delivery of food and food products to schools.
15. Fills in for Couriers as needed.
16. Operates material handling equipment (i.e.: forklift, motorized pallet truck, hand truck, dollies).
17. Coordinates the relocation of material assigned to specific staff members or programs.
18. Prepares and lists auctions on surplus equipment.
19. Oversees the physical inventory on a daily basis; performs an annual audit on all warehouse inventory and textbook inventory to reconcile at the end of each fiscal year.
20. Manages staff during after hour events to ensure the event is completed and all employees return to the warehouse safely.

Other Duties

1. Performs any other related duties as assigned by the Coordinator II - Warehouse or other appropriate administrator.
