

Newport News Public Schools
Standards of Quality #2 - Instructional, Administrative and Support Personnel
 October 1, 2017

The school board, annually, on or before December 31, reports to the public the actual pupil/teacher ratios (excluding resource personnel) in elementary school classrooms by school for the current year. The board also reports the pupil/teacher ratio including resource teachers in the same report. The report includes identification of the schools but ensures confidentiality of all teachers and pupil identities.
