

2018 Wayne D. Lett Scholarship Recipient

Breann A. Adair

Warwick High School

Preparing for her dream of becoming a teacher kept Breann Adair very busy during high school. While a senior at Warwick High School, she also finished an Early Childhood Education program through New Horizons and interned at Saunders Elementary School to gain real-life teaching experience. In her spare time, she served as president of the Family, Career and Community Leaders of Association, FCCLA, distinguishing herself and her school by winning a gold medal in the FCCLA national championship.

Breann says that her experiences in high school convinced her that teaching is what she “was placed on this earth to do.” She has enjoyed helping in a kindergarten class and found she has an affinity for working with students with disabilities. Her teachers described Breann as honest, passionate, enthusiastic and “always ready with a smile and kind word.”

She plans to earn a master’s degree in education and teach in Newport News Public Schools.
