Upon failure of the Successful Offeror to cure the default, NNPS may immediately cancel and terminate this Contract as of the mailing date of the default notice. Upon termination, Successful Offeror shall withdraw its personnel and equipment, cease performance of any further work under the Contract, and turn over to NNPS any work in process for which payment has been made. In the event of violations of law, safety or health standards and regulations, this Contract may be immediately cancelled and terminated by NNPS and provisions herein with respect to opportunity to cure default shall not be applicable.

CC. Breach of Contract:

Successful Offeror shall be deemed in breach of this contract if the Successful Offeror:
Fails to comply with any terms of this contract;

- Fails to cure such noncompliance within ten (10) calendar days from the date of the NNPS written notice or such other time frame, greater than ten (10) calendar days, specified by the NNPS Contract Administrator in the notice.
- Fails to submit a written response to NNPS's notification of noncompliance within ten (10) calendar days after the date of the NNPS notice.
- All notices under this contract shall be submitted, either by fax or certified mail, return-receipt requested, to the respective contract administrator. Successful Offeror shall not be in breach of this contract as long as its default was due to causes beyond the reasonable control of and occurred without any fault or negligence on the part of both the Successful Offeror and its subcontractors. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of NNPS in its sovereign capacity, fires, floods, epidemics, strikes, freight embargoes, and unusually severe catastrophic weather such as hurricanes.

DD. Applicable Law:

This Contract shall be deemed to be a Virginia contract and shall be governed as to all matters whether of validity, interpretations, obligations, performance or otherwise exclusively by the laws of the Commonwealth of Virginia, and all questions arising with respect thereto shall be determined in accordance with such laws. Regardless of where actually delivered and accepted, this Contract shall be deemed to have been delivered and accepted by the parties in the Commonwealth of Virginia.

EE. Compliance With All Laws:

Successful Offeror shall comply with all federal, state and local statutes, ordinances, and regulations now in effect or hereafter adopted, in the performance of this contract. Successful Offeror represents that it possesses all necessary licenses and permits required to conduct its business and/or will acquire any additional licenses and permits necessary for performance of this contract prior to the initiation of work. If the Successful Offeror is a corporation, Successful Offeror further expressly represents that it is a corporation of good standing in the Commonwealth of Virginia and will remain in good standing throughout the term of the contract and any extensions. All City of Newport News business license, personal property, real estate and other applicable tax requirements shall be met by Successful Offeror.

FF. Venue:

Venue shall be in the Circuit Court of the City of Newport News, Virginia, and the United States District Court for the Eastern District of Virginia, Norfolk Division, compliant with applicable laws and regulations, as deemed appropriate by NNPS.

GG. Severability:

If any provision of this contract is found by any court of competent jurisdiction to be invalid or unenforceable, the invalidity of such provision shall not affect the other provisions of this contract, and all other provisions of this contract shall remain in full force and effect.

HH. Non-Appropriation of Funds:

It is understood and agreed between the parties herein that NNPS shall be bound hereunder only to the extent that the funds shall have been appropriated. In the event no funds or insufficient funds are appropriated, NNPS shall immediately notify the Successful Offeror of such occurrence and this Contract shall terminate on the last day funds are available without penalty or expense to NNPS of any kind whatsoever.

II. Tax Exemption:

NNPS is exempt from federal excise tax and from all State and local taxes. Successful Offeror shall not include such taxes in any invoices under this agreement. Upon request, NNPS will furnish the Successful Offeror with tax exemption certificates or the NNPS tax exempt number.

JJ. Vendor's Invoices:

Successful Offeror shall submit to NNPS all invoices promptly upon completion of the requirements for installation, delivery, and acceptance of the Products and Services required under this contract. Invoices shall not include any costs other than those identified in the executed NNPS purchase order awarding this contract or any subsequent change orders issued by the NNPS Purchasing Division. All shipping costs are the Successful Offeror's responsibility, except to the extent such charges are identified in the executed NNPS purchase order or change orders. Successful Offeror's invoices shall provide at a minimum:

- a. Type and description of the Product or Service installed, delivered and accepted;
- b. Serial numbers, if any;
- c. Quantity delivered;
- d. Charge for each item;
- e. Extended total (unit costs x quantity);
- f. This RFP number and the NNPS Purchase Order Number.

KK. Contractual Disputes:

Any dispute concerning a question of fact as a result of a contract with NNPS which is not disposed of by agreement shall be decided by the NNPS Purchasing Agent, who shall reduce his decision to writing and mail or otherwise forward a copy thereof to the contractor within thirty (30) days. The decision of the NNPS Purchasing Agent shall be final and conclusive unless the contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A contractor may not institute legal action, prior to receipt of the public body's decision on the claim, unless the public body fails to render such decision within the time specified. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

LL. Warranty/Guarantee:

Successful Offeror guarantees against defective or faulty material or workmanship for at least one (1) year or for the manufacturer's standard warranty period, whichever is greater, from date of acceptance by NNPS. To furnish adequate protection from damage for all work and to repair damages of any kind for which Successful Offeror or Successful Offeror's workmen are responsible, to the building or equipment, to Successful Offeror's own work, or to the work of others. Any merchandise or service provided under the contract which is or becomes defective during the warranty period shall be replaced by the Successful Offeror free of charge with the specific understanding that all replacements shall carry the same guarantee as the original equipment or service (one year or manufacturer's standard warranty period, whichever is greater, from the date of acceptance of the replacement). Successful Offeror shall make any such replacement immediately upon receiving notice from NNPS.

MM. Payment Terms:

To be eligible for payment, all labor, equipment and materials covered under Successful Offeror's invoice must be completed and accepted by NNPS. NNPS agrees to make payments under this contract within thirty (30) days after receipt of a correct invoice for such payment. Where payment is made by mail, the date of postmark shall be deemed to be the date of payment. Any amounts due NNPS under the terms of this or any other agreement may be applied against Successful Offeror's invoices with documentation for the basis of the adjustment attached. In no event shall any interest penalty or late fee accrue when payment is delayed because of disagreement between NNPS and Successful Offeror regarding the quantity, quality, time of delivery, or other noncompliance with the contract requirements for any Product or Service or the accuracy or correctness of any invoice. Payment terms offering a "prompt payment discount" of 20 days or greater will be considered in the evaluation of Proposals. All other payment terms shall be net thirty (30) calendar days or greater. Payment terms not specified by Offeror shall be Net 45 days.

Special Educational or Promotional Discounts

Successful Offeror shall extend any special educational or promotional sale prices or discounts immediately to NNPS during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.

NN. Prompt Payment:

NNPS will promptly pay for completed, delivered goods or services accepted under this Contract by the payment date established. The required payment date will be either: (i) the date on which payment is due under the terms of this Contract for the provision of the goods or services; or (ii) if a date is not established by this Contract, not more than forty-five (45) days after goods or services are received or not more than forty-five (45) days after the invoice is rendered, whichever is later.

Within twenty (20) days after the receipt of the invoice or goods or services, NNPS shall notify the supplier of any defect or impropriety that would prevent payment by the payment date. Should NNPS fail to pay the Contractor by the pay date, finance charges may be assessed by the Contractor. Unless otherwise provided under the terms of this Contract, interest will accrue at the rate of one percent (1%) per month. This will not apply to late payment provisions in any public utility tariffs or public utility negotiated Contracts. Contractor shall include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

In cases where payment to Contractor is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of this Contract.

Individual Contractors shall provide to NNPS their social security numbers and proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

Within seven (7) days after Contractor receives payment from NNPS, Contractor shall take one or more of the following actions:

1. Pay all subcontractors for the proportionate share of the total payment received from NNPS attributable to the work performed by the subcontractors under this Contract;
2. Notify NNPS and all affected subcontractors, in writing, of Contractor's intention to withhold all or a part of each affected subcontractor's payment including the reason for nonpayment.
3. Pay interest to the subcontractor on all amounts owed by the Contractor that remain unpaid after (7) seven days following receipt by the Contractor of payment from NNPS for work performed by the subcontractor under that Contract, except for amounts withheld, as allowed in #2 above.

A Contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of NNPS. A Contract modification will not be made for the purpose of providing reimbursement by NNPS for interest charges owed by Contractor. A cost reimbursement claim to NNPS shall not include any amounts for reimbursement of interest charges owed by Contractor.

OO. Payment by Electronic Funds Transfer (EFT)

(a) Method of payment.

(1) All payments by Newport News Public Schools (NNPS) under this contract shall be made by electronic funds transfer (EFT) except as provided in paragraph (a)(2) of this clause. As used in this clause, the term “EFT” refers to the funds transfer and may also include the payment information transfer.

(2) In the event NNPS is unable to release one or more payments by EFT, the Contractor agrees to either—

- (i) Accept payment by check or some other mutually agreeable method of payment; or
- (ii) Request NNPS to extend payment due dates until such time NNPS makes payment by EFT (but see paragraph (d) of this clause).

(b) Mandatory submission of Contractor's EFT information.

(1) The Contractor is required to provide NNPS with the information required to make payment by EFT (see paragraph (j) of this clause). The Contractor shall provide this information directly to the NNPS Accounting Department (hereafter referred to as “Accounting”) no later than 15 days prior to submission of the first request for payment. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the Accounting.

(2) If the Contractor provides EFT information applicable to multiple contracts, the Contractor shall specifically state the applicability of this EFT information in terms acceptable to Accounting.

(c) *Mechanisms for EFT payment.* NNPS may make payment by EFT through the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association

(d) Suspension of payment.

(1) The NNPS is not required to make any payment under this contract until after receipt, by Accounting, of the correct EFT payment information from the Contractor. Until receipt of the correct EFT information, any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract.

(2) If the EFT information changes after submission of correct EFT information, NNPS shall begin using the changed EFT information no later than 30 days after its receipt by Accounting to the extent payment is made by EFT. However, the Contractor may request that no further payments be made until the updated EFT information is implemented by Accounting. If such suspension would result in a late payment under the prompt payment terms of this contract, the Contractor’s request for suspension shall extend the due date for payment by the number of days of the suspension.

(e) Liability for uncompleted or erroneous transfers.

(1) If an uncompleted or erroneous transfer occurs because NNPS used the Contractor’s EFT information incorrectly, NNPS remains responsible for—

- (i) Making a correct payment;
- (ii) Paying any prompt payment penalty due; and
- (iii) Recovering any erroneously directed funds.

(2) If an uncompleted or erroneous transfer occurs because the Contractor’s EFT information was incorrect, or was revised within 30 days of NNPS’ release of the EFT payment transaction, and—

- (i) If the funds are no longer under the control of Accounting, NNPS is deemed to have made payment and the Contractor is responsible for recovery of any erroneously directed funds; or
- (ii) If the funds remain under the control of Accounting, NNPS shall not make payment and the provisions of paragraph (d) shall apply.

(f) *EFT and prompt payment.* A payment shall be deemed to have been made in a timely manner in accordance with the prompt payment terms of this contract if, in the EFT payment transaction instruction released to the Federal Reserve System, the date specified for settlement of the payment is on or before the prompt payment due date, provided the specified payment date is a valid date under the rules of the Federal Reserve System.

(g) *EFT and assignment of claims.* If the Contractor assigns the proceeds of this contract as provided for in the assignment of claims terms of this contract, the Contractor shall require as a condition of any such assignment, that the assignee shall provide the EFT information required by paragraph (j) of this clause to Accounting, and shall be paid by EFT in accordance with the terms of this clause. In all respects, the requirements of this clause shall apply to the assignee as if it were the Contractor. EFT information that shows the ultimate recipient of the transfer to be other than the Contractor, in the absence of a proper assignment of claims acceptable to NNPS, is incorrect EFT information within the meaning of paragraph (d) of this clause.

(h) *Liability for change of EFT information by financial agent.* NNPS is not liable for errors resulting from changes to EFT information provided by the Contractor's financial agent.

(i) *Payment information.* Accounting shall forward to the Contractor available payment information that is suitable for transmission as of the date of release of the EFT instruction to the Federal Reserve System. NNPS may request the Contractor to designate a desired format and method(s) for delivery of payment information from a list of formats and methods Accounting is capable of executing. However, NNPS does not guarantee that any particular format or method of delivery is available and retains the latitude to use the format and delivery method most convenient to NNPS. If NNPS makes payment by check in accordance with paragraph (a) of this clause, NNPS shall mail the payment information to the remittance address in the contract.

(j) *EFT information.* The Contractor shall provide the following information to Accounting. The Contractor may supply this data for this or multiple contracts (see paragraph (b) of this clause). The Contractor shall designate a single financial agent per contract capable of receiving and processing the EFT information using the EFT methods described in paragraph (c) of this clause.

(1) The contract number (or other procurement identification number).

(2) The Contractor's name and remittance address, as stated in the contract(s).

(3) The signature (manual or electronic, as appropriate), title, and telephone number of the Contractor official authorized to provide this information.

(4) The name, address, and 9-digit Routing Transit Number of the Contractor's financial agent.

(5) The Contractor's account number and the type of account (checking, saving, or lockbox).

(6) If applicable, the Fedwire Transfer System telegraphic abbreviation of the Contractor's financial agent.

(7) If applicable, the Contractor shall also provide the name, address, telegraphic abbreviation, and 9-digit Routing Transit Number of the correspondent financial institution receiving the wire transfer payment if the Contractor's financial agent is not directly on-line to the Fedwire Transfer System; and, therefore, not the receiver of the wire transfer payment.

Addendum #1

FOR IMMEDIATE ATTENTION

TO: ALL OFFERORS

RE: RFP# **013-0-2023/KG – WE LEAP PROGRAM**

1. Responses to Offerors questions are as follows:

- *Each individual enrichment session is individually staffed with its own assigned facilitator.*

-Does this statement mean that the expectation is 1 academic support worker per up-to 30 students, also a part of III 5or that once an academic support worker is assigned to a location, they remain there for the remainder of the school year? **Each session is for one hour with up to 30 students. The teacher remains with the class. EX: if you are working with 6th grade and we have 40 students at the site, you'll have two groups with 20 students in each session.**

- I noticed in the document it is asking for four paper copies, but in parenthesis it lists the number 5. Would you please clarify how many copies you need? **The number of paper copies is five (5).**

- In RFP, it lists service beginning on Nov. 17th, same date as proposal is due; should we expect to begin implementation the upcoming Monday? **Yes, we will try to have the schedule set up and ready to go. If the process takes longer, then we can push it back a week. We are trying to get it set up by that timeframe.**

- I wanted to know if the proposed plan is similar to last year in terms of how the structure of the actual scheduling is set up? **Yes, it is similar to last year. We have added additional schools this year. We've gone from ten schools to eighteen schools, which includes three high schools, two middle schools, and more elementary schools were added. We will have a rotation schedule with the vendors based on their hours. The only difference is we may have to do three rotations at the three schools that are from 2:00 to 5:00 due to transportation, we can't end them at 4:00 pm. Some schools will have a day of enrichment and field trips and then a day of remediation. Other schools are just doing the field trips and not remediation, not all the schools are offering Saturdays.**

-Regarding Saturday's, what are the hours? **It will be approximately 9:00 am to 1:00 pm. NNPS is not for certain because we don't have a commitment from each school with their teaching staff.**

- Is there a way for us to specify that we would be providing enrichment for the elementary sites only? **Yes, you can. You can state that you want to be a Saturday school or Monday through Thursday Site**

School, or both. Last year some vendors worked Monday – Thursday and other vendors just worked Saturdays.

- Is it your intent to provide high school, middle and elementary on weekends? **Yes, vendors last year specifically stated certain schools, and others stated that they only wanted certain age group. So, if a vendor does select high school, we would add that to their schedule, and if not, we would just keep it at the elementary and/or middle level.**

-We were previously involved with We Leap for several years, and it's changed a bit as I'm looking through the document. I'm hearing Monday through Thursday, and the way that it was previously with our schedule was one day a week, and it just rotated at the location, and then another location. For example, one location was Monday, Monday, Monday, Monday, and then another location was, you know, Wednesday, Wednesday. So is it safe for me to assume that you want the providers to be available Monday through Thursday throughout at each location? **Last year, when we did the schedule, we tried to base it off the companies and what they could provide. If you can only provide one day, then we would put you at those sites that had smaller groups, and if you could provide two days, then we would put you at those two groups sites. With the elementary schools, middle schools and high schools, they either go Monday, Wednesday, or they go Tuesday, Thursday, but because of transportation we had to put more on Monday. We do have a couple Monday, Thursday and a couple Wednesday, Thursday. It's not split like last year, the majority of the schools are a Monday, Wednesday, but we do have a few Tuesday, Thursdays and Wednesday, Thursdays.**

-When do you expect to have some fidelity on what you're planning for Saturdays, the schools, the hours so that it can submit a four proposal with pricing? **We estimate that the hours will be from 9:00 am to 1:00 pm, waiting for schools to confirm staffing.**

-I have a question regarding the students, and so within the session I see that it says fifty to one hundred. So, for example, if there's a hundred students there's probably twenty kids in five classrooms to represent one hundred correct? **We have invited third, fourth, and fifth grader, so it's about thirty to thirty-five kids in each grade level. The issue that we've had with Saturdays; we would have one hundred kids in the program, and maybe twenty-five to fifty would show up on a Saturday. We have some schools that only had twenty-five students in the whole program, and they would have ten to fifteen kids show up on a Saturday. We were having a really hard time gauging how many sessions because we couldn't control how many kids came to school. We're trying to tie in an incentive to go on the field trips to the attendance in the program. The actual count will available once the schools report how many students have applied and have filled out the registration form to attend.**

-The term session is referred to price per day, correct? **Offeror is to calculate how many sessions they can provide service for per site.**

-Would it be okay to propose, or would there be a way to provide the availability of our instructors? For example, availability would be Mondays for all of those Monday Wednesday school sites? **Yes, you can provide the days you are available and which days you are not, that is totally fine.**

-Are the Saturday sessions blocks 9:00 to 10:00, 10:00 to 11:00, and 12:00 to 1:00? **Yes, that's how we did it last year.**
